www.guidedogsofamerica.org

Dear Puppy Raisers:

Guide Dogs of America is collecting used cell phones in our efforts to increase fundraising. In conjunction with the Charitable Recycling Program, a donation payment will be made to Guide Dogs of America for each and every cell phone collected - regardless of age or condition.

With more than 150 million cell phones retired in the U.S. each year, the fundraising potential is tremendous.

Because cell phones and their batteries contain toxins, they should not end up in landfills. The phones can be recycled and sent to areas with economic necessity. Some phones are also refurbished and given to those who are in need of 911, emergency only, communications.

Please let your family and friends know about this recycling program. Just remember to deactivate and remove your "sim" card before donating your phone.

You can drop off your cell phone at Guide Dogs of America, 13445 Glenoaks Blvd., Sylmar, 91342. The recycling box is in the lobby. You can also use the pre-paid postage label to mail at your convenience. We will still get the credit!

For further information, call (818) 833-6433.

Thank you,

Debbie Sands
